evident management to maximise commercial carrying capacity as a fully fledged agistment property. On the whole a reasonable number could be up to 50 horses at any given time. The size of the yards & paddocks allows for minimal degradation & ease of rotation. With ample nature buffers surrounding, the significance of the usability blends with the natural flora & fauna, literally a safe haven for the native wildlife, harmony assured.

'GREEN HILL' – Easily accessed from Picton via Barkers Lodge Rd – circa 15 minutes, wide sealed access to property along with private entry. The home located on approximately half an acre area with mature plantings, shade trees & a magnificent panoramic vantage point to the horizon. Outbuildings include various larger farm shedding / garaging, carport & recreational rumpus / music room, tractor / machinery shed.

Bore capacity & dam water storage. The whole of the property is irrigated for stock requirements.

The copiously proportioned homestead with double storey master retreat features wide veranda & outlook to the rear off main living area & dining, elevated aspect also assured from master with stunning views across the majority of the property. Vaulted ceilings & unbridled space allows maximum levels of comfort along with slow combustion heating, ducted reverse cycle air conditioning also complimented with renewable solar energy capacity. Further family flexibility a given with oversized bedrooms with huge walk in robes & storage. Further living with massive sitting room / library also with vaulted ceilings & bay sitting area / dining overlooking the gardens. Further extending to two further full bathrooms & two separate studies.

In summary – With so much on offer across the private & business spectrum "GREENHILL" should be one of the first points of call especially for those searching for a strategically placed larger acreage property. This property commands attention.
